Lahontan Regional Water Quality Control Board staff are inviting you to an online workshop. State Water Board Division of Financial Assistance will provide information on the funding opportunities available to small communities and disadvantaged communities for their drinking water and wastewater programs in the Lahontan Region and throughout California. The workshop will give participants the opportunity to ask questions about the types of funding available and about the application process.

To attend the workshop virtually, [Click here to join the meeting](#). To attend the workshop using audio only, dial (916) 562-0861 and enter Phone Conference ID 743 438 51#.

Please feel free to forward this invitation to other interested parties.
