NOTICE OF OPPORTUNITY FOR PUBLIC COMMENTS AND ADOPTION MEETING

DRAFT AMENDED PROPOSITION 1 GROUNDWATER GRANT PROGRAM GUIDELINES

NOTICE IS HEREBY GIVEN that the State Water Resources Control Board (State Water Board) will accept public comments on the Draft Amended Proposition 1 Groundwater Grant Program (GWGP) Funding Guidelines (Amended Guidelines), dated December 2020.

NOTICE IS ADDITIONALLY HEREBY GIVEN that the State Water Board will consider adopting the Amended Guidelines as early as the Tuesday, February 2, 2021 State Water Board Meeting.

BACKGROUND

Proposition 1 authorizes \$720 million to the State Water Board to provide competitive grants for projects that prevent or clean up contamination of groundwater that serves or has served as a source of drinking water (California Water Code § 79771). The Proposition 1 GWGP Funding Guidelines, which were initially adopted by the State Water Board on May 18, 2016, and amended on December 19, 2017, outline the process to solicit applications, criteria to evaluate and select eligible proposals, and requirements that apply to funded projects.

Division of Financial Assistance (DFA) staff have proposed amendments to clarify eligibility requirements and funding maximums for drinking water treatment and wastewater projects that benefit disadvantaged communities (DACs), and to broaden the types of wastewater projects that can qualify. These changes are intended to maximize utilization of existing DAC set-aside funds for beneficial projects.
